For Accent Forza Silver instructions

Press "learn 1 for 1 second, the "learn _ led " light will illuminate, then , press and hold the button on the new remote until the " learn_ led" flash and/or goes out. Once the light has gone out then the transmitter's code has been stored. Please now stand clear of the door and test the remote.

NOTE: You can only code remotes to an individual Garage door. If this remote is for a main door in an apartment block you will need a technician to code as you may inadvertently wipe all codes from other remotes.
